

## **Statement regarding Data Protection: San Silvestre School and Markham College**

San Silvestre School and Markham College ensure that all personal data concerning parents, students and visitors will only be stored in their school data bases for the duration of the preparation time and the actual visit. This data will only be shared with a third party when this is a prerequisite for the provision of educational services outside the school. One example of a third party is a bank.

All personal data will be removed from our data base when the link with our institutions ends.

San Silvestre School and Markham College request that the persons associated with their institutions expressly authorise the publication of their images.
